Swim Style Descriptions

Open Swim: Open to all ages (includes infants, preschoolers, youth, teens and adults).

Partial Open Swim: The area of 2 lap lanes are open to all ages (includes infants, preschoolers, youth, teens and adults).

Lap Swim: Swimming in designated lanes. Open to men & women, ages 13 & over. "Open Style" lane available for water exercise, water running, synchronized swimming or other styles.

Women's Dip: Women ages 18 & over. No men or teens. One or two lap lanes available on request.

Open Swim/ # Lap Lane: Open Swim with 1 to 3 lap lanes available. Lap lane priority is given to lap swimmers.

Deep Water Dip: Swimming in the deep end of the pool only. The shallow end of the pool in use for classes.

Shallow Water Dip: Swimming in the shallow end of the pool only. The deep end of the pool in use for classes.

Family Swim: Children with adults. Children under age 18 must be accompanied by an adult age 18 or over.

Note: To assure the safety of all pool users, Lifeguard may adjust the # of lanes based on pool participation.

Aquatic Class Descriptions

Ai Chi: A simple water exercise and relaxation program performed using a combination of deep breathing and slow, broad movements of the arms, legs, and torso in continual patterns. Benefits include increased muscle strength, balance, posture, and joint flexibility.

Deep Water Exercise: A deep-water aerobics class that is great for anyone in need of a good stretch and a high-energy workout. Held in the deep end of the pool, this non-impact class is designed to improve strength, flexibility and endurance. Flotation belts available.

Joint Effort: A warm water activity specifically designed for those with arthritis. Instructors, trained by the National Arthritis Foundation, help you improve and maintain joint flexibility. YWCA facilities are handicapped accessible.

Water Exercise: High energy, low impact workout class, held in the shallow end of the pool. Built into the class is a strong cardio segment combined with strength training, using resistant equipment and stretching to improve flexibility.
